Revolution Prep has partnered with Bonsall High School and the Bonsall Education Foundation (BEF) to offer Live Online SAT® Test Prep Courses to all Bonsall High School 10th and 11th Graders. The college admissions process can be daunting and with everything that's going on like sports, jobs, and other extra-curriculars, it's hard to find time to prep for your college admissions test. Whether you're looking to get a head start or ready to begin submitting applications, this is the crucial time to begin your test preparation. Through our partnership with BHS and BEF, Revolution Prep is able to provide a 50% discount on our 24-Hour SAT Live Online Course. Find a schedule that works for you and we'll help you reach your goals!

Our dynamic test prep solution includes 24 hours of direct instruction with a professional Revolution tutor. Class sessions are taught via live, interactive platform through which students see, listen, and speak directly with their instructor. In addition to guided instruction and assigned lessons, students will have the ability to take up to five practice exams to practice application of strategies. Revolution's prep courses increase student demonstration of academic preparation for college and the college admissions process.
